Sanitation / Recycling

Update

Dear Neighbor,

We've worked hard to protect the public and Sanitary District #6 workers from the coronavirus by adjusting sanitation and recycling collection schedules. Our policies have proven effective, and we are pleased to announce that regular schedule sanitation and recycling collection will resume on May 26th. Thank you for your patience and understanding.

Sanitary District #6

**Regular Schedule Sanitation / Recycling Collection
Resumes May 26th**

* Please note, we are closed Monday, May 25th (Memorial Day). Please put your garbage & recycling out on your next regular collection day.

** Collections will now begin at 6:30 am. Please have all garbage & recycling out prior to 6:30 am.
