Thank you very much for your thoughtful consideration Our Motto is

“Service above Self”

Rotary History Our Motto is: “SERVICE ABOVE SELF”

The world's first service club was founded on 23 February 1905 when lawyer Paul Harris and three friends met in a small office in downtown Chicago. These men wanted to rekindle in the turn-of-the-century city the spirit of friendliness they had known in their hometowns. Word of the club soon spread, and others were invited to join. They named their new club "Rotary" to describe the practice of meeting in rotation at the members' various places of business.

Originally formed for fellowship, the first Rotary club quickly evolved to use the talents and resources of its members to serve the community. By the end of 1905, the Rotary Club of Chicago had 30 members. Three years later a second club was established in San Francisco, California. The next year three more clubs were established on the west coast of the United States and a fourth in New York City. Within a few years other groups formed service clubs based on the Rotary model.

The first Rotary convention was held in the Congress Hotel in Chicago in August 1910. The National Association of Rotary Clubs was organized at that time with 16-member clubs. Rotary founder Paul Harris was elected the association's first president.

What the Rotary Club Means to the Community

A ROTARY CLUB tends to make the community a friendly one by promoting genial fellowship and thoughtfulness of others; it helps to obliterate factions by providing a common meeting ground and appealing to unselfish motives. Rotary co-operates with and thereby strengthens other local organizations; it is a group striving to develop a spirit of wholehearted co-operation in the handling of questions of public welfare.

The West Hempstead Rotary club is engaged in many community services. We sponsor Troop 240 of the Boy Scouts of America and we recognize students at West Hempstead High School who excel in “Service Above Self”. The Student of the Year is awarded a meaningful scholarship for college. We promote literacy by distributing dictionaries to students in third grade in our public and private schools and by funding programs at the West Hempstead Library. We support the Interfaith Nutrition Network, Sunrise Day Camp, Rotocare – a free clinic for families and individuals without health insurance, and the District 7250 project, Anchor Day Camp.

What the Rotary Club Means to the Member

A ROTARY CLUB affords the member an opportunity to express in a practical way those nobler desires found in every person who wants to make their contribution to the betterment of society. It gives the member a new and increased opportunity, to express in action their desire to be helpful to others. Rotary widens constantly the member's circle of friends and increases the member's knowledge of business and professions other than their own.

The increased circle of friends and acquaintances gives a Rotary member an understanding of the problems of others. Rotary encourages and supports the member in his or her effort to conduct their business or profession according to the highest standards of ethical behavior.
